**Note:** Purpose Investments Inc. digital asset ETFs trade on the TSX and have a trust taxation structure. Purpose Core Ether ETF and Purpose Core Bitcoin ETF have the lowest fees amongst digital asset ETFs in Canada as of April 30, 2025. Commissions, trailing commissions, management fees and expenses all may be associated with investment fund investments, including those mentioned on this site. The respective prospectuses contain important detailed information about that investment fund. Always read the prospectus before investing. As with any investment, there are risks to investing in investment funds. There is no assurance that any fund will achieve its investment objective, and its net asset value, yield, and investment return will fluctuate from time to time with market conditions. Crypto assets can be extremely volatile and there is no guarantee that the amount invested will be returned to you. If the securities are purchased or sold on a stock exchange, you may pay more or receive less than the current net asset value. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.
